Facilities Use Guidelines

After a brief discussion it was decided that no changes were necessary to the above mentioned policies. The Committee did recommend making changes to the Facilities Use Guidelines, which would involve creating two separate policies. One policy would cover a contingency budget and the other policy would be for a non-contingency budget.

Discussion about the Fitness Center rules, regulations and staff procedures took place. These procedures will be presented to the Board at the next meeting.

The meeting was adjourned at 6:18.

Respectfully Submitted,
Debbie Passno, Clerk Pro-tem
