DAVID KRETZER:****CONSTRUCTION-CHANGE ORDERS**

That the following construction change orders be approved:

1. Asbestos Free, Inc. - Change orders No. 1 and No. 2;
one - \$6,000.00 - to remove all asbestos in the main building boiler room. The original contract provided for removal of ACM on tanks that were to be replaced. Further investigation revealed that within the immediate future our maintenance people will be doing work in the other areas of the room. To complete removal in the room saves the district a more expensive removal in the future.
two - a credit of \$810.00 back to the district as a result of a contractors error in installing new ceiling tile at Cumberland Head School.
2. Northern N.Y. Electrical - Change order #3 - \$2,125.00 to install five new belts and four new pull-stations for fire alarm system.

Change Orders - (continued)

3. Lake Champlain Development Corp. - \$17,797.52 to extend the District Office Treasurer's and Payroll Clerk's area toward the front of the building to provide for much needed record storage area. The improvements require only a roof, one outside wall and a concrete floor. The brick facing is already in house and was donated by Joe Channell of R. Kennedy Contractors from the 1990 project. In house personnel will install an existing heater and electrical service. The new window schedule for Mrs. Sanger's office will be used on the outside wall with the 6' window scheduled for Dr. Walter's office going to the High School Secretaries office (see next change order)
4. Lake Champlain Development Corp. - \$7,388.88 to install new windows in the High School secretarial area. This area was not included in the original specifications. The 6' window from Dr. Walter's area will be used along with two new windows to complete the work.

If such action includes suspension of the student, all legal procedures must be followed, including notification of the reasons for suspending the student, opportunity for the student to respond, opportunity for a parent conference, a superintendent's hearing if the suspension is for more than five days, etc.*
